AMENDED AND RESTATED BYLAWS

OF

CLEAN ENERGY BUYERS ASSOCIATION

(A Delaware Nonprofit Nonstock Corporation)

Adopted: July 2019

Revised: December 2022
1. **ARTICLE 1: THE CORPORATION**

1.1 **Name.** This organization shall be known as Clean Energy Buyers Association (“CEBA”).

1.2 **Vision and Mission.** The vision of the Clean Energy Buyers Association (CEBA) is: customer-driven, clean energy for all. CEBA’s mission is to activate a community of energy customers and partners to deploy market and policy solutions for a carbon-free energy system.

1.3 **Books and Records.** Any records administered by or on behalf of CEBA in the regular course of its business, books of account, and minute books, may be maintained on any information storage device, method, or one or more electronic networks or databases (including one or more distributed electronic networks or databases); provided that the records so kept can be converted into clearly legible paper form within a reasonable time, and the records so kept comply with Section 224 of the Delaware General Corporation Law. CEBA shall so convert any records so kept upon the request of any person entitled to inspect such records pursuant to applicable law.

1.4 **Applicable Law.** CEBA is organized exclusively for one or more of the purposes as specified in Section 501(c)(6) of the Internal Revenue Code (the “Code”), including, for such purposes, the making of distributions to organizations that qualify as exempt organizations under Section 501(c)(6) of the Code. These Bylaws are adopted subject to any applicable law, including the General Corporation Law of the State of Delaware and the Code of 1986, and the Certificate of Incorporation. Whenever these Bylaws may conflict with any applicable law or the Certificate of Incorporation, such conflict shall be resolved in favor of such law or the Certificate of Incorporation.

1.5 **Compliance with antitrust laws.** Each of the Members of the Corporation is committed to fostering competition in the markets for clean and renewable energy, and the work of the Corporation is intended to promote such competition. Each Member acknowledges that they may compete with each other in the purchase or sale of clean energy and that they and their representatives act in a manner which does not violate any applicable state, federal or international antitrust laws or regulations or applicable orders. Accordingly, each Member hereby assumes responsibility to provide appropriate legal counsel to its representatives acting under these Bylaws regarding the importance of limiting the scope of their discussions to the topics that relate to the purposes of the Corporation, whether or not such discussions take place during formal meetings, informal gatherings, or otherwise. Each Member further acknowledges that it and each other Member is free to negotiate the terms and condition for the purchase and sale of energy as it deems appropriate. The Board of Directors shall adopt Antitrust Guidelines for the Corporation that are substantially similar to those as adopted by all members.
2. **ARTICLE 2: MEMBERSHIP**

2.1 **Eligibility.** Organizations aligned in the mission of CEBA are eligible to apply for membership. The criteria and conditions of membership are defined by the Board and incorporated in the Membership Applications and Membership Agreements. Membership is subject to the payment of initial and annual membership dues, as well as compliance with the terms of the Membership Agreements. Unless approved by a two-thirds vote of all Voting Directors, no regulated utility may be a member of CEBA. A non-regulated subsidiary or affiliate of a regulated utility may become a member if the non-regulated subsidiary meets the requirements for membership. For the purposes of the foregoing, in the United States, a “regulated utility” is a provider of electric power that is regulated with respect to price or service terms and conditions by one or more state regulatory authorities and/or subject to regulation under the Public Utility Regulatory Policies Act (PURPA, Pub.L. 95–617, 92 Stat. 3117), as amended. The definition of “regulated utility” outside of the United States will be determined by the board as required.

2.2 **Membership Applications and Agreements.** The Board of Directors will adopt a form of Membership Application and Membership Agreement for each Membership Class. The Chief Executive Officer (“CEO”), or other CEBA officer authorized by the Board of Directors, will review applications within 30 days of receipt and approve or disapprove applications by the next Executive Committee meeting. The reversal of any disapproved Membership Application shall require the affirmative vote of a majority of all Voting Directors. Upon approval of a membership application, the applicant will be admitted to membership once a Membership Agreement is executed and payment of dues is received.

2.3 **Membership Classes.** Members of CEBA are admitted into Membership Classes. The Board of Directors may change the qualifications and requirements of the Membership Classes. Unless otherwise provided by the Board of Directors, a Member may be in more than one Membership Class and, in such a case, will be considered a separate Member in each class, including for the purposes of membership fees and dues. The Board of Directors may limit the number of Members admitted to each Membership Class as long as that limitation is not imposed for the sole purpose of excluding otherwise qualified applicants and at least one Membership Class remains open to any company or entity that is qualified to join the Corporation pursuant to these Bylaws.

2.4 **Transfer and Termination of Membership Agreements.** Each Membership Agreement shall include specific terms governing the termination and transferability of the Agreement. The authority to revise or modify Membership Agreements is delegated to committees, as described in Addendum A. In addition to the terms outlined in the Membership Agreement, the following applies to the termination of Membership Agreements:

2.4.1. **Nontransferability of Membership Agreements.** Except as specifically stated in a Membership Agreement, no Membership
Agreement (or the rights and benefits it confers) may be assigned without CEBA's prior written consent.

2.4.2. **Termination by Member.** Any Member may terminate its Membership Agreement upon fifteen days' written notice to CEBA.

2.4.3. **Termination by Board of Directors.** The Board of Directors reserves the right to review a member's standing at any time. Any member in question has the right to be on the issue, and at that same meeting, all Disinterested Directors will vote on whether the Member has violated the policies, procedures, and duties of membership. If two-thirds of the Disinterested Directors vote that such a violation has occurred, the Membership Agreement of the Member in question shall be terminated. At that time, all rights of a Member in the Corporation will cease. The termination of a Membership Agreement shall not result in any reduction or refund of dues already paid for the current dues period.

### 2.5 Membership Meetings

An annual membership meeting shall be held. In addition to the annual membership meetings, regular membership meetings may also be held.

2.5.1. **Annual Membership Meeting.** There shall be an annual meeting of the CEBA membership, held for the purpose of transacting business properly brought before the Members.

2.5.2. **Regular Membership Meetings.** Regular membership meetings may be called by the Board of Directors or by written request of one-third of the Voting Members.

2.5.3. **Notice of Membership Meetings.** The Board of Directors will determine and announce the date, time, and place of membership meetings between ten and 60 days before the date of the meeting. Membership meetings may be held in person or via any electronic means. The Board of Directors will provide notice of membership meetings by mail, electronic communication, or telephone, subject to the requirements of the General Corporation Law of the State of Delaware. Waiver of notice in writing signed by the Member, whether before or after the time of the meeting, shall be equivalent to the giving of such notice.

2.5.4. **Conduct of Membership Meetings.** The CEO will preside over membership meetings. In his or her absence, any other officer may preside. The Secretary, or another person appointed by the Secretary, shall act as secretary of membership meetings. Meetings shall be governed by procedures approved by the
Voting Members. Through written notice to the CEO, each Voting Member shall designate a primary representative, and may designate an alternate representative, to act on its behalf at membership meetings. Membership Meetings may occur by means of remote communication.

2.5.5. **Quorum and Voting for Membership Meetings.** A majority of the Voting Members present at a properly noticed meeting of the Members shall constitute a quorum. Virtual attendance in the meetings held by means of remote communication shall constitute presence in-person at the meeting. Unless otherwise established by the Board of Directors, each Voting Member shall have one vote, cast through the Voting Member’s designated primary or alternative representative, on each matter submitted to a vote during membership meetings. Voting at in-person meetings shall be by a show of hands in the case of Voting Members attending in person, by voice ballot for Voting Members attending by audio, videoconferencing or teleconferencing, or electronically for matters submitted for vote via electronic means.

3. **ARTICLE 3: BOARD OF DIRECTORS**

3.1 **Composition.** The Board of Directors shall consist of the following:

3.1.1. **The Chief Executive Officer.**

3.1.2. **NGO Directors.** There shall be NGO Directors. At CEBA’s incorporation, each of the four Founding NGO Members appointed one NGO Director. Upon completion of the two consecutive, two-year terms (“Inaugural Terms”) provided to the Founding NGO Directors, any CEBA member may nominate an NGO Director, and founding NGO Members are eligible for nomination. If the slate of NGO Director nominees is greater than the number of open NGO Director seats, the Board will determine whether the full membership votes between the nominees or whether the board will vote.

3.1.3. **Leadership Circle Energy Customer Directors.** Each Leadership Circle Energy Customer Member shall be entitled to appoint a Leadership Circle Energy Customer Director. If the number of Leadership Circle Energy Customer Members increases, the Board of Directors shall increase the number of Directors elected by each membership class as described in Section 3.2.2. If the number of LC Energy Customer Members decreases, the board may appoint interim Energy Customer board members from the non-LC membership tier to maintain the percentage
Energy Customer Directors as determined by section 3.2, or may elect to leave the seats open.

3.1.4. **At-Large Energy Customer Directors.** At-Large Energy Customer Directors are to be nominated by Energy Customers and elected by the full CEBA membership.

The total number of Directors, and/or the number of Directors to be elected by any Membership Class (including any new Membership Classes as determined by the Board of Directors), may be changed by affirmative vote of a majority of the existing Voting Directors. The current number of Directors elected by each Membership Class is reflected in Addendum B. The Board shall make efforts to maintain the following proportions of Voting Directors among the Membership Classes:

#### 3.2.1. **Number of Directors per Membership Class:**

(a) Approximately 60 percent of the Voting Directors shall be Energy Customer Directors, with approximately three-quarters being from Leadership Circle class and one-quarter from other Customer Member classes.

For example, if there are three nominees for the Leadership Circle Energy Provider Directors for which there are two positions, each Voting Member, regardless of Membership Class, may vote for two Leadership Circle Energy Provider Directors and the two nominees receiving the highest number of votes will be elected.
